## Blue Suede Shoes

Elvis would have been proud. These ultra-fabulous blue suede shoes are from up-and-coming New York shoe designer Candace Blake's debut collection. Cherish is a 3.5-inch pump with a silver trim. It retails for \$300. Flaunt, which retails for \$500, is a high-heel boot garnished with a light purple lizard strap. To purchase, visit [CandaceBlake.com](http://CandaceBlake.com).
